

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products in order to ensure efficiency and increase the productivity within industrial, commercial and residential surroundings. They pride themselves in providing products in order to improve the security, health, safety and comfort of people around the globe all through their four global segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building services, parts support and advanced controls for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand offers solutions and products to improve operations, energy efficiency and productivity for their customers. The range of products in their line comprise: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles meant for individuals and businesses.

Popular trade names like Trane and Schlage compromise the Residential Solutions business, providing comfort, safety and efficiency to home owners all around North America. Several of their innovative quality products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The division comprising Security Technologies provides products that ensure productive, secure and safe environments. This division's market leading products include door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel frames and locks and doors, decorative hardware and locksets. Popular trade names like for instance Schlage also provide personal, time and attendance scheduling systems.
