

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement since nineteen fifty nine. Whether the work involves positioning heavy steel, landing loads on scaffolding or transferring loads, using a Lull telehandler would help make the work go faster and easier. These units are complete along with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The Lull horizontal load placement system supplies eighty inches of boom travel for precision placement capabilities. A wide range of optional attachments is obtainable for Lull telehandlers in order to help finish whichever job.
