

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They enjoy offering items that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' requirements and skills along with their understanding of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both technical support and parts available when it is required. Their high service commitment is one of the core values in their customer service. Keeping their clients' cleaning equipment working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that eventually lowers your cost of cleaning. The price, the service and the product all work together so as to make them an industry leader.
